SECRETARY

During the year under review, the following are our achievements.

ACTIVITIES & PROGRAMS

NATIONAL INTEGRATION PROGRAM

The organization has organized seminar and workshop in the block of Hisua and Narhat. Through this program the organization tried to aware society.

C.S.R. PROJECT

The organization conducted the program in Nawada District of Bihar State. EVERY INDIVIDUAL, whether rich or poor, is a Consumer from the moment of his birth till his death, because we are constantly in need of “Goods and Products” on the one hand & “services” on the other for our daily sustenance. It is therefore but proper that all of us should become aware of our rights as a consumer of goods and services.

In fact, it is well known that the ordinary consumer is often exploited to such an extent that the market slogan was “buyers beware”. However, slowly but surely the scenario is changing, to enable the consumer to turn back and, now say “sellers beware”.

While Consumer Awareness on the one hand and the need for consumer satisfaction on the other is a fairly well accepted and established fact in most western and other developed countries, this is taking its roots in developing countries and more particularly in our own country only in the last few years.

One significant reason for the spread of consumer awareness in our country has been the enactment of unique Legislation, the Consumer Protection Act in December 1986. The preamble to the Act states that it is intended to provide better protection of the interest of consumer and for the speedy settlement of disputes.

It also goes on to add that it is intended to promote and protect certain specific rights of consumers. It will be as well for us to understand our basic rights as consumers, which the Consumer Protection Act proposes to promote and protect.

EDUCATION PROGRAM

The organization conducted the program in Nawada District of Bihar State. Literacy and population size essentially are the basic ingredients for development. Economic development is closely associated with poverty reduction. Human development is the end-economic growth. Literacy and education have a direct role in human development and are instrumental in facilitating other achievements.

The significant effects of primary education on reduction in poverty and improvement in income distribution, improvement in health and nutritional status of the population growth, and positive association with adoption of family planning methods and its positive relationship with general social, political and economic development and overall quality of life are well recognized.

Women have to be integrated in the mainstream society as by and large in India they do not enjoy equal status with men and still have to fight their way through if they want to achieve social or economic advancement.

For these causes OUR society working for the education for all men, women, girls and boys children. Society wants to sure primary education for them. Under the direction of society 4 education center runs in the villages of Nawada district. its positive relationship with general social, political and economic development and overall quality of life are well recognized.

Women have to be integrated in the mainstream society as by and large in India they do not enjoy equal status with men and still have to fight their way through if they want to achieve social or economic advancement.
